Issued : February 13, 2007
Inventor : Stanhope, et al.
Title : FLUID FILTER ASSEMBLY

Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction, for the above-identified patent under the provisions of Rule 1.322 or 1.323.

Respecting the alleged error, Do NOT add claim 18 because applicants agreed to the cancellation on the claim in an examiner's amendment. Please enter the amendments to columns 7 and 8 as they relate to spelling errors and informalities. Therefore, no correction(s) is in order here under United States Codes (U.S.C.) 254 or 255 and the Code of Federal Regulation (C.F.R.) 1.322 or 1.323.

In view of the foregoing your request is hereby denied.

A certificate of correction will be issued to correct the remaining errors noted in your request.

Further correspondence concerning this matter should be filed and directed to Decisions and Certificates of Correction Branch. Any response must be filed within a four week period.
